Notes:

1. Dimensions without tolerances must adhere to: ISO 20457 TG6
2. The control plan must include all dimensions shown in the drawing. Method of control is under the responsibility of HT.
3. Dimensions without brackets or with "Δ" symbol, are considered significant or critical characteristics of the design.
4. Dimensions in (brackets), are considered references only. No additional dimensional report or controls required for these measurements.
5. Material: Bio-PL Biodegradable Polyester
6. Color: Beige
7. Weight: 1.7g

Performance Requirements:

TESTING WITH PART PRIOR BEING STORED AT CONDITION EQUILIBRIUM +23°C ± 2°C AND 50% ±10% REL. HUMIDITY
Parts tested DAM
Tensile Stength: 100N MIN
Bundle Size: 1.5mm to 55mm

#The manufacturing-related geometry changes (injection point, ejectors marks, etc.) allowed, but must not affect the function, installation, or removal of the part. Design of the details are left to suppliers discretion.
