Cable ties inside serrated with one-hand release mechanism

REZ-Series

Thanks to its innovative head design, the REZ-Series cable ties can be released using only two fingers. By applying pressure to the integrated wings, the tie can be quickly and securely disengaged without damage. The REZ cable tie provides a reliable and reusable fastening solution suitable for a wide range of applications, especially in temporary setups and areas with limited accessibility.

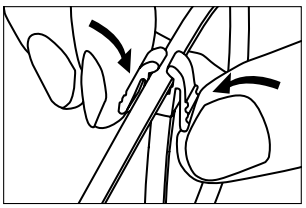

Features and benefits

- REZ-Series can be released and reused
- Unique head design for simple and rapid use
- Quick-release mechanism for one-hand operation
- Cable tie can be opened even when under tension
- Can still be released when working with gloves
