

EQUINOX

Contour DJ Screen

User Manual

Order code: EQLED155

Discreetly conceal equipment and create a professional look to your setup with the Equinox Contour DJ Screen. Easy to transport, these portable screens assemble in a matter of minutes. The double sided stretch lycra covers are easily removable for transportation and cleaning and can be interchanged with a number of other lycra designs sold separately. Set-up and breakdown is fast and simple with the screen sections fastening together with spring buttons.

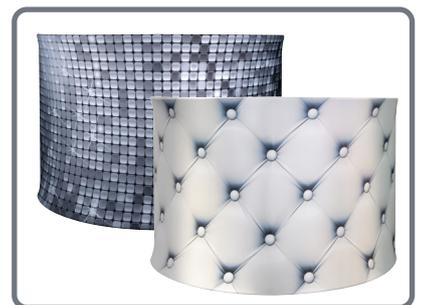

Aluminium frame

Black/white reversible lycra

Carry bag

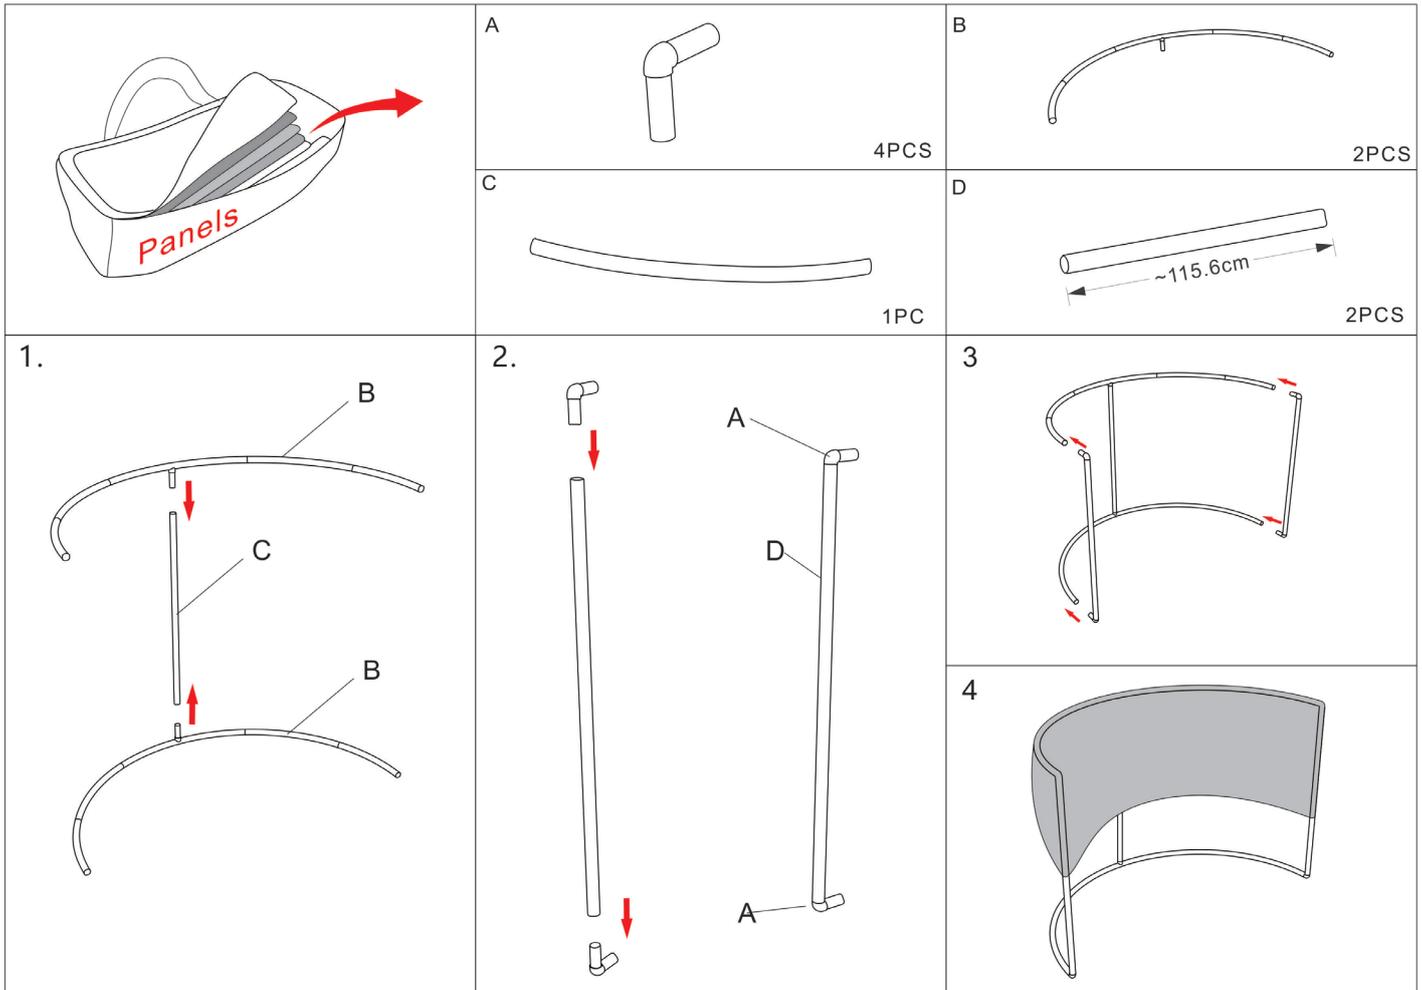

Chesterfield/silver mirror ball reversible lycra

WARNING

FOR YOUR OWN SAFETY, PLEASE READ THIS USER MANUAL CAREFULLY BEFORE YOUR INITIAL START-UP!

- Site the screen on a level, stable surface
- Screen must be unfolded and setup as per diagram below
- Incorrect setup may lead to additional stress on the frame and components
