1. INTRODUCTION

Thank you for purchasing this W Audio professional loudspeaker product. The Epic Sub112 loudspeaker is a portable bass reflex enclosure, featuring a very efficient 10" long –throw bass speaker with high power 65 mm voice coil. It is designed for a variety of portable sound reinforcement and club applications.

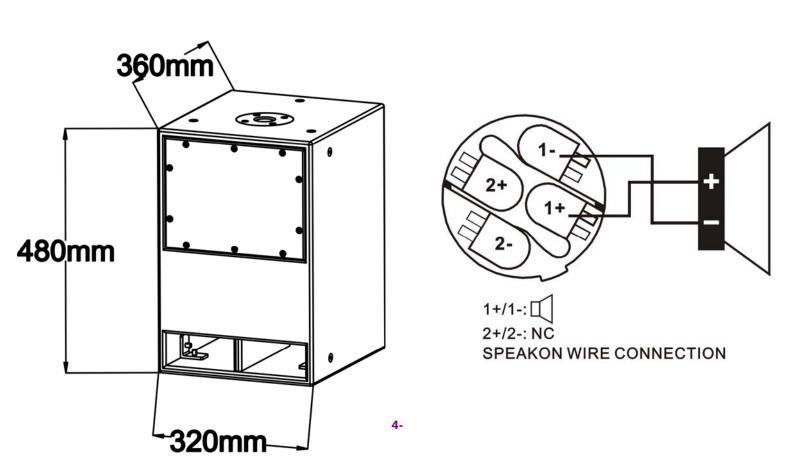

2. FEATURES

- 1. MDF trapezoid cabinet with scratch-resistance textured paint.
- 2. High intensity cabinet construction.
- 3. 10" high power LF speaker.
- 4. Crossover: passive 12db octave, 180HZ.
- 5. Hole with a diameter of 35mm for satellite use.
- 6. 11 x M8 flying points

3. CARE & MAINTENANCE

- 1) Do not use this speaker near water.
- 2) Clean only with dry cloth.
- 3) Do not block any ventilation openings. Install in accordance with the instructions.
- 4) Do not install near any heat sources such as radiators, stoves, or other apparatus (including amplifiers) that produce heat.
- 5) Protect the power cable from being walked on or pulled particularly at plugs.
- 6) Only use attachments or accessories specified by the manufacturer.
- 7) Do not connect this speaker during lightning storms or when being unused for a long period.
- 8) Choose a suitable cable for the loudspeaker, cable which is too small will not give a high output.
